

Get In. We're Ending ALS

What We're Up To:

This coming Wednesday, March 30, an FDA Advisory Committee (AdCom) will meet to discuss the potential approval or investigational treatment AMX0035. There will be an open public hearing portion where advocates from across the ALS community will speak about what approval of AMX0035 could mean for them. All of it will be broadcast live and we want to experience every moment of it with you – so we're having a watch party! Join us on Zoom any time from 10 a.m. - 4:30 p.m. ET on Wednesday and RSVP [here](#).

Watch the AdCom with us!

Come hang out with I AM ALS and other dedicated community members to witness this important hearing together.

RSVP

COMMUNITY UPDATES

Clinical Trials Team

This team is really looking forward to the FDA AdCom about AMX0035! The Expanded Access Program for this drug has been added to ALS Signal by members of this team. Check out ALS Signal [here](#).

Community Outreach Team

This team's ALS panel series has a new name! In honor of an all-star advocate who founded this initiative, the panel series will now be named

the Tim Lowrey ALS Panel Series. Tim, who is living with ALS, began this effort to help educate more people about ALS through their school or places of work. Request your own panel of people impacted by ALS [here](#).

Familial ALS Team

This team has been hard at work filling gaps in content about familial ALS. Team member Mindy Uhrlaub recently wrote this piece about telling her sons about her genetic status. Check it out [here](#).

Legislative Affairs Team

This team continues to engage with Congress to fully fund ACT for ALS in the Fiscal Year 2023 Appropriations process. To help with this and future legislative efforts, sign up to help the legislative team [here](#).

Veterans Team

This team is hosting an upcoming edition of Ask Me Anything ALS! These amazing folks will be here to tell their stories, to listen and answer your questions as best they can and connect you to relevant resources. RSVP to attend [here](#).

In Memoriam: Mike Tamburino

It is with deep sadness that we share the passing of Mike Tamburino. Mike was a member of I AM ALS' Community Outreach Team and helped pioneer Lou Gehrig Day as a baseball fan and little league umpire. He passed away on March 7, 2022 and is survived by his wife Lois and four beautiful children. Read Mike's story in his own words [here](#) and his obituary [here](#).

WHAT'S COMING UP?

Join us to watch the March 30 AdCom

Join us any time from 10 a.m. – 4:30 p.m. ET on Wednesday, March 30 in our Zoom room where we'll be watching the action happen live.

Ask Me Anything ALS - Raising Kids

We know that supporting children while your family navigates ALS can present unique challenges. I AM ALS' community members – including parents living with ALS, caregivers, ALS gene-carriers and child development professionals – are here to listen and answer your questions as best they can and connect you to helpful resources.
