116TH CONGRESS 2D SESSION S

To amend the Federal Food, Drug, and Cosmetic Act to establish a timelimited provisional approval pathway, subject to specific obligations, for certain drugs and biological products, and for other purposes.

IN THE SENATE OF THE UNITED STATES

Mr. BRAUN (for himself, Ms. MURKOWSKI, and Ms. McSALLY) introduced the following bill; which was read twice and referred to the Committee on

A BILL

- To amend the Federal Food, Drug, and Cosmetic Act to establish a time-limited provisional approval pathway, subject to specific obligations, for certain drugs and biological products, and for other purposes.
 - 1 Be it enacted by the Senate and House of Representa-
 - 2 tives of the United States of America in Congress assembled,

3 SECTION 1. SHORT TITLE.

4 This Act may be cited as the "Promising Pathway5 Act".

6 SEC. 2. FINDINGS.

7 Congress finds as follows:

S.L.C.

 $\mathbf{2}$

1 (1) The drugs and biological products intended 2 to be reviewed under the pathway established under 3 this Act are for the treatment and prevention of se-4 rious diseases or conditions, especially those for 5 which there are no available on-label meaningful or 6 disease-modifying treatments, where speed to access 7 is critical.

8 (2) The approval pathway established under 9 this Act is intended to allow drug and biological 10 product applications to be more rapidly reviewed by 11 the U.S. Food and Drug Administration (FDA), 12 with the FDA reviewing various portions of new 13 drug and biological product applications as they be-14 come available.

15 (3) The approval pathway established under 16 this Act establishes a clear approval pathway that 17 can be utilized by sponsors to receive rolling review 18 of applications for drugs and biological products in-19 tended to treat serious diseases, including drugs and 20 biological products intended to treat COVID-19 that 21 reduce the risk of death, severe disease, and progres-22 sion of symptoms in those exposed to the virus.

(4) The approval pathway established under
this Act will enable sponsors to receive early, timelimited, and provisional approval for drugs and bio-

3

logical products that have demonstrated substantial
 evidence of safety and relevant early evidence that
 establishes that the drug provides a positive thera peutic outcome.

5 (5) The approval pathway established under
6 this Act will allow for the use of real-world evidence
7 and scientifically substantiated surrogates, other
8 than those previously validated by the FDA, to pre9 dict the clinical benefits and ultimately support pro10 visional approval.

11 (6) Drugs and biological products granted pro-12 visional approval under the pathway established 13 under this Act are limited to a 2-year approval pe-14 riod, renewable every 2 years, for up to 6 years. Full 15 approval can awarded at any time, for any drug or 16 biological product provisionally approved under this 17 pathway that establishes a 15 percent improvement 18 in an important endpoint compared to standard 19 therapies.

20 (7) The approval pathway established under
21 this Act prohibits denial of coverage for any drug or
22 biological product provisionally approved under this
23 approval pathway on account of it being experi24 mental.

4

1 (8) Informed consent is required for any pa-2 tients using a drug or biological product approved 3 under the provisional approval pathway established 4 under this Act. Any patients using a drug or biologi-5 cal product reviewed under this approval pathway 6 must participate in an observational registry until 7 those drugs or biological products receive full ap-8 proval, with approval contingent on registry partici-9 pation. 10 (9) This Act requires that registries track ag-

gregated, de-identified data that will be readily available to approved researchers for public health research purposes.

(10) This Act creates, within the Office of the
Commissioner at the FDA, the position of the Patient Advocate General to provide assistance to patients and their families utilizing drugs and biological products.

19 SEC. 3. PROVISIONAL APPROVAL OF NEW HUMAN DRUGS.

(a) IN GENERAL.—Subchapter A of chapter V of the
Federal Food, Drug, and Cosmetic Act (21 U.S.C. 351
et seq.) is amended by adding at the end of the following:

1 "SEC. 524B. PROVISIONAL APPROVAL OF NEW HUMAN2DRUGS.

3 "(a) PRIORITY REVIEW AND EVALUATION OF APPLI4 CATIONS.—

5 "(1) IN GENERAL.—The Secretary shall estab6 lish a priority review system to evaluate applications
7 submitted under this pathway for provisional approval within 90 days of receipt of a completed application.
9 plication.

10 (2)REVIEW OF APPLICATIONS DURING 11 EPIDEMICS AND PANDEMICS.—In the case of an epi-12 demic or pandemic, including with respect to 13 COVID-19, the Secretary shall accept and review 14 various portions of an application submitted under 15 the pathway under this section for provisional ap-16 proval on a rolling basis, and the review of any part 17 of an application so submitted shall be completed 18 not later than 3 weeks after submission.

19 "(3) OTHER DESIGNATIONS.—If a drug sub-20 mitted for review under the pathway under this sec-21 tion is eligible for a special designation by the Sec-22 retary under this Act, including as a drug for a rare 23 disease or condition under section 526, all benefits 24 of such other designation shall be available for use 25 under provisional approval, including any tax credits 26 and waiving of fees under chapter VII.

 2 sional approval under this section if the Secretary deter- 3 mines that the drug is intended for the treatment, preven- 4 tion, or medical diagnosis of— 5 "(1) a serious or life-threatening disease or con- 6 dition for which there is a reasonable likelihood that 7 premature death will occur without early medical 8 intervention for an individual contracting or being 9 diagnosed with such disease or condition; 10 "(2) a disease or condition that poses a threat 11 of epidemic or pandemic; or 12 "(3) a disease or condition associated with mor- 13 bidity that has a substantial impact on day-to-day 14 functioning. 15 "(c) STANDARD OF REVIEW FOR APPROVAL.— 16 "(1) REQUIREMENTS.—An application for pro- 17 visional approval under this section may be approved 18 only if the Secretary determines that— 19 "(A) there is substantial evidence of safety 20 for the drug, such that there is evidence con- 21 sisting of adequate and well-controlled invess- 22 tigations, including clinical investigations, by 23 experts qualified by scientific training and expe- 24 rience to evaluate the safety of the drug in- 	1	"(b) ELIGIBILITY.—A drug may be eligible for provi-
 4 tion, or medical diagnosis of— "(1) a serious or life-threatening disease or con- dition for which there is a reasonable likelihood that premature death will occur without early medical intervention for an individual contracting or being diagnosed with such disease or condition; "(2) a disease or condition that poses a threat of epidemic or pandemic; or "(3) a disease or condition associated with mor- bidity that has a substantial impact on day-to-day functioning. "(c) STANDARD OF REVIEW FOR APPROVAL.— "(1) REQUIREMENTS.—An application for provisional approval under this section may be approved only if the Secretary determines that— "(A) there is substantial evidence of safety for the drug, such that there is evidence con- sisting of adequate and well-controlled inves- tigations, including clinical investigations, by experts qualified by scientific training and expe- 	2	sional approval under this section if the Secretary deter-
 "(1) a serious or life-threatening disease or condition for which there is a reasonable likelihood that premature death will occur without early medical intervention for an individual contracting or being diagnosed with such disease or condition; "(2) a disease or condition that poses a threat of epidemic or pandemic; or "(3) a disease or condition associated with morbidity that has a substantial impact on day-to-day functioning. "(c) STANDARD OF REVIEW FOR APPROVAL.— "(1) REQUIREMENTS.—An application for provisional approval under this section may be approved only if the Secretary determines that— "(A) there is substantial evidence of safety for the drug, such that there is evidence consisting of adequate and well-controlled investigations, by experts qualified by scientific training and expe- 	3	mines that the drug is intended for the treatment, preven-
 dition for which there is a reasonable likelihood that premature death will occur without early medical intervention for an individual contracting or being diagnosed with such disease or condition; "(2) a disease or condition that poses a threat of epidemic or pandemic; or "(3) a disease or condition associated with mor- bidity that has a substantial impact on day-to-day functioning. "(c) STANDARD OF REVIEW FOR APPROVAL.— "(c) STANDARD OF REVIEW FOR APPROVAL.— "(1) REQUIREMENTS.—An application for pro- visional approval under this section may be approved only if the Secretary determines that— "(A) there is substantial evidence of safety for the drug, such that there is evidence consisting of adequate and well-controlled invess- tigations, including elinical investigations, by experts qualified by scientific training and expe- 	4	tion, or medical diagnosis of—
 premature death will occur without early medical intervention for an individual contracting or being diagnosed with such disease or condition; "(2) a disease or condition that poses a threat of epidemic or pandemic; or "(3) a disease or condition associated with mor- bidity that has a substantial impact on day-to-day functioning. "(c) STANDARD OF REVIEW FOR APPROVAL.— "(1) REQUIREMENTS.—An application for pro- visional approval under this section may be approved only if the Secretary determines that— "(A) there is substantial evidence of safety for the drug, such that there is evidence con- sisting of adequate and well-controlled inves- tigations, including clinical investigations, by experts qualified by scientific training and expe- 	5	((1) a serious or life-threatening disease or con-
 intervention for an individual contracting or being diagnosed with such disease or condition; "(2) a disease or condition that poses a threat of epidemic or pandemic; or "(3) a disease or condition associated with mor- bidity that has a substantial impact on day-to-day functioning. "(c) STANDARD OF REVIEW FOR APPROVAL.— "(1) REQUIREMENTS.—An application for pro- visional approval under this section may be approved only if the Secretary determines that— "(A) there is substantial evidence of safety for the drug, such that there is evidence con- sisting of adequate and well-controlled inves- tigations, including clinical investigations, by experts qualified by scientific training and expe- 	6	dition for which there is a reasonable likelihood that
 9 diagnosed with such disease or condition; 10 "(2) a disease or condition that poses a threat 11 of epidemic or pandemic; or 12 "(3) a disease or condition associated with mor- 13 bidity that has a substantial impact on day-to-day 14 functioning. 15 "(c) STANDARD OF REVIEW FOR APPROVAL.— 16 "(1) REQUIREMENTS.—An application for pro- 17 visional approval under this section may be approved 18 only if the Secretary determines that— 19 "(A) there is substantial evidence of safety 20 for the drug, such that there is evidence con- 21 sisting of adequate and well-controlled inves- 22 tigations, including clinical investigations, by 23 experts qualified by scientific training and expe- 	7	premature death will occur without early medical
 "(2) a disease or condition that poses a threat of epidemic or pandemic; or "(3) a disease or condition associated with mor- bidity that has a substantial impact on day-to-day functioning. "(c) STANDARD OF REVIEW FOR APPROVAL.— "(1) REQUIREMENTS.—An application for pro- visional approval under this section may be approved only if the Secretary determines that— "(A) there is substantial evidence of safety for the drug, such that there is evidence con- sisting of adequate and well-controlled inves- tigations, including clinical investigations, by experts qualified by scientific training and expe- 	8	intervention for an individual contracting or being
11of epidemic or pandemic; or12"(3) a disease or condition associated with mor-13bidity that has a substantial impact on day-to-day14functioning.15"(c) STANDARD OF REVIEW FOR APPROVAL.—16"(1) REQUIREMENTS.—An application for pro-17visional approval under this section may be approved18only if the Secretary determines that—19"(A) there is substantial evidence of safety20for the drug, such that there is evidence con-21sisting of adequate and well-controlled inves-22tigations, including clinical investigations, by23experts qualified by scientific training and expe-	9	diagnosed with such disease or condition;
 "(3) a disease or condition associated with mor- bidity that has a substantial impact on day-to-day functioning. "(c) STANDARD OF REVIEW FOR APPROVAL.— "(1) REQUIREMENTS.—An application for pro- visional approval under this section may be approved only if the Secretary determines that— "(A) there is substantial evidence of safety for the drug, such that there is evidence con- sisting of adequate and well-controlled inves- tigations, including clinical investigations, by experts qualified by scientific training and expe- 	10	((2) a disease or condition that poses a threat
 bidity that has a substantial impact on day-to-day functioning. "(c) STANDARD OF REVIEW FOR APPROVAL.— "(1) REQUIREMENTS.—An application for pro- visional approval under this section may be approved only if the Secretary determines that— "(A) there is substantial evidence of safety for the drug, such that there is evidence con- sisting of adequate and well-controlled inves- tigations, including clinical investigations, by experts qualified by scientific training and expe- 	11	of epidemic or pandemic; or
14functioning.15"(c) STANDARD OF REVIEW FOR APPROVAL.—16"(1) REQUIREMENTS.—An application for pro-17visional approval under this section may be approved18only if the Secretary determines that—19"(A) there is substantial evidence of safety20for the drug, such that there is evidence con-21sisting of adequate and well-controlled inves-22tigations, including clinical investigations, by23experts qualified by scientific training and expe-	12	"(3) a disease or condition associated with mor-
 "(c) STANDARD OF REVIEW FOR APPROVAL.— "(1) REQUIREMENTS.—An application for provisional approval under this section may be approved only if the Secretary determines that— "(A) there is substantial evidence of safety for the drug, such that there is evidence consisting of adequate and well-controlled investigations, by experts qualified by scientific training and expe- 	13	bidity that has a substantial impact on day-to-day
 "(1) REQUIREMENTS.—An application for pro- visional approval under this section may be approved only if the Secretary determines that— "(A) there is substantial evidence of safety for the drug, such that there is evidence con- sisting of adequate and well-controlled inves- tigations, including clinical investigations, by experts qualified by scientific training and expe- 	14	functioning.
 visional approval under this section may be approved only if the Secretary determines that— "(A) there is substantial evidence of safety for the drug, such that there is evidence con- sisting of adequate and well-controlled inves- tigations, including clinical investigations, by experts qualified by scientific training and expe- 	15	"(c) Standard of Review for Approval.—
 only if the Secretary determines that— "(A) there is substantial evidence of safety for the drug, such that there is evidence con- sisting of adequate and well-controlled inves- tigations, including clinical investigations, by experts qualified by scientific training and expe- 	16	"(1) Requirements.—An application for pro-
19"(A) there is substantial evidence of safety20for the drug, such that there is evidence con-21sisting of adequate and well-controlled inves-22tigations, including clinical investigations, by23experts qualified by scientific training and expe-	17	visional approval under this section may be approved
 for the drug, such that there is evidence con- sisting of adequate and well-controlled inves- tigations, including clinical investigations, by experts qualified by scientific training and expe- 	18	only if the Secretary determines that—
 21 sisting of adequate and well-controlled inves- 22 tigations, including clinical investigations, by 23 experts qualified by scientific training and expe- 	19	"(A) there is substantial evidence of safety
 tigations, including clinical investigations, by experts qualified by scientific training and expe- 	20	for the drug, such that there is evidence con-
23 experts qualified by scientific training and expe-	21	sisting of adequate and well-controlled inves-
	22	tigations, including clinical investigations, by
24 rience to evaluate the safety of the drug in-	23	experts qualified by scientific training and expe-
	24	rience to evaluate the safety of the drug in-
volved, on the basis of which it could fairly and	25	volved, on the basis of which it could fairly and

1	responsibly be concluded that the drug will have
2	the effect it purports or is represented to have
3	under the conditions of use prescribed, rec-
4	ommended, or suggested in the labeling or pro-
5	posed labeling; and
6	"(B) there is relevant early evidence based
7	on adequate and well-controlled investigations,
8	including early-stage clinical investigations, to
9	establish that—
10	"(i) the drug provides a positive
11	therapeutic outcome; and
12	"(ii) the outcome of the drug is con-
13	sistent with or greater than currently mar-
14	keted on-label therapies, with equal or
15	fewer side effects, if there are currently
16	marketed on-label therapies.
17	"(2) PROTOCOLS.—The Secretary shall promul-
18	gate rules that establish the appropriate protocols
19	for a sponsor of an application for provisional ap-
20	proval under this section and the Commissioner to
21	follow to enable rolling, real-time, mid-trial submis-
22	sion while preserving the integrity of the ongoing
23	trial and without penalizing the sponsor for making
24	use of this pathway.

-
"(3) Real world evidence.—The Secretary
shall allow the use of real world evidence (as defined
in section $505F(b)$, including real world data used
to generate real world evidence, to support an appli-
cation for provisional approval under this section,
and to fulfill the follow-up requirements and support
applications for full approval as described under sec-
tion 505 or section 351 of the Public Health Service
Act, as applicable.
"(4) Use of scientifically-substantiated
SURROGATES.—
"(A) IN GENERAL.—The sponsor of an ap-
plication for provisional approval under this sec-
tion may use scientifically-substantiated surro-
gates to support such application.
"(B) DEFINITION.—In subparagraph (A),
the term 'scientifically-substantiated surrogates'
means surrogate endpoints to predict clinical
benefit other than such endpoints previously
validated by the Secretary, based on—
"(i) epidemiologic, therapeutic, patho-
physiologic, or other evidence; or
"(ii) an effect on a clinical endpoint
other than survival or irreversible mor-
bidity of interest.

"(d) TRANSPARENCY AND PATIENT MONITORING
 REQUIREMENTS.—

3 "(1) Registries.—

"(A) IN GENERAL.—The sponsor of a drug 4 5 provisionally approved under this section shall 6 require that all patients who use such drug participate in an observational registry and consent 7 8 to the sponsor's collection, and submission to 9 the registry, of data related to the patient's use 10 of such drug until such drug receives full ap-11 proval under section 505 or section 351 of the 12 Public Health Service Act, or the provisional 13 approval is rescinded.

"(B) REQUIREMENTS FOR REGISTRIES.—
An observational registry described in subparagraph (A) may be run by a third party, such as
a government, for profit, or non-profit organization, and shall track all patients who use the
provisionally approved drug.

20 "(C) ACCESSIBILITY.—An observational
21 registry described in subparagraph (A) shall be
22 easily accessible for—

23 "(i) all patients who are participating
24 in any registry related to a provisionally
25 approved drug that allows for easy, unre-

1	stricted (or transparent) access for such
2	patients to their patient data and related
3	information regarding their usage of the
4	provisionally approved drug; and
5	"(ii) approved researchers and med-
6	ical professionals who may access data
7	maintained in the registry, which access
8	shall be for public health research and only
9	in a de-identified, aggregated manner.
10	"(2) FUNDING.—An observational registry
11	under this subsection shall be maintained, as appli-
12	cable—
13	"(A) by the sponsor of the drug provision-
14	ally approved under this section that is the sub-
15	ject of the registry;
16	"(B) by a third party, such as a govern-
17	ment, for profit, or nonprofit organization; or
18	"(C) the Federal Government, in the case
19	of any drug so approved that is intended to
20	treat a disease or condition associated with an
21	epidemic or pandemic.
22	"(3) Sponsor requirements.—
23	"(A) IN GENERAL.—For any drug applica-
24	tion provisionally approved under this section,
25	the Secretary shall notify the sponsor of the

2

11

exact data such sponsor is required to submit to an observational registry.

"(B) ANNUAL REVIEW OF THE REGISTRY; 3 4 PENALTIES.—The Secretary shall conduct an 5 annual review of observational registries estab-6 lished under this subsection. If, at such an annual review, less than 90 percent of patients are 7 8 participating in an observational registry with 9 respect to a drug approved under this section, 10 the Secretary shall issue to the sponsor of such 11 drug a civil monetary penalty of not more than 12 \$100,000. If a violation of this section is not 13 corrected within the 30-day period following no-14 tification, the sponsor shall, in addition to any 15 penalty under this subparagraph be subject to 16 a civil monetary penalty of not more than 17 \$10,000 for each day of the violation after such 18 period until the violation is corrected. If appli-19 cation patient participation in an observational 20 registry is not at or above 90 percent within 6 21 months of issuance of such penalty, the provi-22 sional approval shall be withdrawn.

23 "(4) ANNUAL REPORT TO CONGRESS.—The
24 Secretary shall submit an annual report to Congress

1	on all drugs granted provisional approval under this
2	section. Such report shall include—
3	"(A) the number of patients treated with
4	each such drug, and the number of patients
5	tracked in an observational registry with re-
6	spect to each such drug;
7	"(B) a discussion of the minimum amount
8	of data required in the registries, including pa-
9	tient treatments and uses, length of use, side
10	effects encountered, relevant biomarkers or sci-
11	entifically substantiated surrogates, scan re-
12	sults, cause of death and how long the patient
13	lived, and adverse drug effects;
13 14	lived, and adverse drug effects; "(C) a list of all such drugs for which an
14	"(C) a list of all such drugs for which an
14 15	"(C) a list of all such drugs for which an application for full approval under section 505
14 15 16	"(C) a list of all such drugs for which an application for full approval under section 505 of this Act or section 351 of the Public Health
14 15 16 17	"(C) a list of all such drugs for which an application for full approval under section 505 of this Act or section 351 of the Public Health Service Act, or an application for an extension
14 15 16 17 18	"(C) a list of all such drugs for which an application for full approval under section 505 of this Act or section 351 of the Public Health Service Act, or an application for an extension of provisional approval under this section, has
14 15 16 17 18 19	"(C) a list of all such drugs for which an application for full approval under section 505 of this Act or section 351 of the Public Health Service Act, or an application for an extension of provisional approval under this section, has been submitted; and
14 15 16 17 18 19 20	"(C) a list of all such drugs for which an application for full approval under section 505 of this Act or section 351 of the Public Health Service Act, or an application for an extension of provisional approval under this section, has been submitted; and "(D) a list of all applications denied provi-
14 15 16 17 18 19 20 21	"(C) a list of all such drugs for which an application for full approval under section 505 of this Act or section 351 of the Public Health Service Act, or an application for an extension of provisional approval under this section, has been submitted; and "(D) a list of all applications denied provi- sional approval under this section, together with

13

"(1) IN GENERAL.—The Secretary shall with draw provisional approval under this section if there
 are a significant numbers of patients who experience
 serious adverse effects, compared to the other cur rently marketed on-label therapies that are available
 for the applicable disease or condition.

7 "(2) EFFECT OF WITHDRAWAL.—If a provi-8 sional approval is withdrawn under this subsection, 9 the sponsor may not make the drug available to any 10 new patients, but may be allowed to continue to 11 make such drug available to patients who started 12 taking the drug prior to the date of withdrawal, for 13 as long a period as dictated by patient need, as de-14 termined by the Secretary.

15 "(f) TRANSPARENCY.—Any scientific, medical, aca-16 demic, or health care journal publishing an article explain-17 ing, releasing, conveying or announcing research findings 18 which were funded by the Department of Health and 19 Human Services shall be prohibited from publishing such 20 research unless—

"(1) such article conveying research findings is
made publicly available on the journal's internet
website without a paywall or charge not later than
3 months after the date on which such article was

14

first provided to subscribers of such journal (or first
 made available for purchase); and

"(2) the article's author or researcher or author's institution (or, in the case of multiple authors,
researchers, or institutions, all such authors, researchers, or institutions) received less than 30 percent of funding for such research from the Department of Health and Human Services throughout the
period of time the research was conducted.

10 "(g) INFORMED CONSENT.—Prior to receiving a drug provisionally approved under this section, the sponsor of 11 12 the drug shall receive from each patient, or the patient's 13 representative, informed consent, through a signed informed consent form, acknowledging that such patient un-14 15 derstands that the drug did not undergo the usual process for full approval of a drug by the Food and Drug Adminis-16 17 tration, and that such patient is willing to accept the risks 18 involved in taking such drug.

19 "(h) Postmarket Controls and Labeling.—

20 "(1) FDA ANNUAL REVIEW OF REGISTRY
21 DATA.—The Secretary shall annually review the data
22 made available through the observational registries
23 under subsection (d) and make a determination re24 garding whether the side effect profile of any drug
25 approved under this pathway does not support the

benefit provided, or the data shows the benefit is
 less than the benefits offered through other, fully-ap proved drugs.

4 "(2) LABELING.—The sponsor of the provision-5 ally approved drug shall ensure that all labeling and 6 promotional materials for the drug bear the state-7 ment 'provisionally approved by the FDA pending a 8 full demonstration of effectiveness under application 9 number ' (specifying the application 10 number assigned by the Secretary in place of the 11 blank). All promotional, educational and marketing 12 materials for provisionally approved products shall 13 be reviewed and approved by the Secretary before 14 such materials are distributed.

15 (3)RESCISSION \mathbf{OF} PROVISIONAL AP-16 **PROVAL.**—If the Secretary determines that the side 17 effect profile of any drug included in such observa-18 tional registries does not support the benefit pro-19 vided by such drug, or that the data shows that the 20 benefit is less than the benefits offered through 21 other, fully-approved drugs, the Secretary shall re-22 scind such provisional approval.

23 "(i) DURATION OF PROVISIONAL APPROVAL; RE24 QUIREMENT TO BRING DRUG TO MARKET.—

16

"(1) DURATION; RENEWALS.—The period of 1 2 provisional approval for a drug approved under this 3 section is effective for a 2-year period. The sponsor may request renewal for provisional approval status 4 5 for up to 3 subsequent 2-year periods by the Sec-6 retary. Provisional approval status with respect to a 7 drug shall not exceed a total of 6 years from the ini-8 tial date the sponsor was awarded provisional ap-9 proval status. 10 "(2) MARKETING REQUIREMENT.—If any drug 11 that receives provisional approval status under this 12 section is not brought to market within 180 days of 13 the approval, such approval shall be rescinded.

14 "(j) LIMITATION ON LIABILITY.—With respect to any 15 claim under State law alleging that a drug sold or otherwise made available pursuant to a grant of provisional ap-16 proval under this section is unsafe or ineffective, no liabil-17 ity in a cause of action shall lie against a sponsor or manu-18 facturer, unless the relevant conduct constitutes reckless 19 20 or willful misconduct, gross negligence, or an intentional 21 tort under any applicable State law.

22 "(k) Applying for Full Approval.—

23 "(1) IN GENERAL.—Except as provided under
24 paragraph (2), the sponsor of a drug granted provi25 sional approval pursuant to this section may, at any

	1.
1	point, submit an application for full approval of such
2	drug under section 505 of this Act or section 351
3	of the Public Health Service Act, as applicable.
4	"(2) Effect of recession on approval and
5	AUTOMATIC APPROVAL.—
6	"(A) IN GENERAL.—The sponsor of a drug
7	granted provisional approval pursuant to this
8	section that has been rescinded under sub-
9	section $(h)(3)$, may submit an application for
10	full approval of such drug under section 505 of
11	this Act or section 351 of the Public Health
12	Service Act at any time.
13	"(B) AUTOMATIC APPROVAL.—Such full
14	approval may be awarded at any time for any
15	drug granted provisional approval pursuant to
16	this section if the sponsor of the drug estab-
17	lishes a 15 percent improvement in an impor-
18	tant endpoint, including surrogate endpoints
19	not validated by the Food and Drug Adminis-
20	tration, compared to a standard drug.
21	"(3) Real-time epidemic and pandemic vac-
22	CINE APPROVAL.—
23	"(A) IN GENERAL.—In the case of a vac-
24	cine developed in response to an epidemic or
25	pandemic, including COVID-19, the Secretary

18

shall share data information regarding the ap proval of the vaccine with the Advisory Com mittee on Immunization Practices of the Cen ters for Disease Control and Prevention as the
 review nears completion.
 "(B) EVALUATION.—Any vaccine that has

7 been approved by the Secretary for an epidemic 8 or pandemic-related disease, including COVID-9 19, shall be evaluated by the Advisory Com-10 mittee on Immunization Practices of the Cen-11 ters for Disease Control and Prevention not 12 later than 1 week after the date of submission 13 to the Advisory Committee by the Secretary of 14 the vaccine.

15 "(1) PATIENT ADVOCATE GENERAL.—Not later than 6 months after the date of enactment of the Promising 16 17 Pathway Act, the Secretary shall establish within the Office of the Commissioner, the position of Patient Advocate 18 19 General, who shall provide assistance to patients and their 20families who use drugs under evaluation in this pathway 21 or drugs reviewed or approved under section 505 or sec-22 tion 351 of the Public Health Service Act. Such assistance 23 shall include providing bi-informational communication 24 about maintaining patient health, delivery of proper in-25 formed consent, participating in clinical investigations,

completing required documentation in order to participate
 in the applicable programs, and providing other informa tion.".

4 (b) CONFORMING AMENDMENT.—Section 505(a) of
5 the Federal Food, Drug, and Cosmetic Act (21 U.S.C.
6 355(a)) is amended by inserting ", or there is in effect
7 a provisional approval under section 524B with respect to
8 such drug" before the period.

9 (c) REIMBURSEMENT.—

10 (1) PRIVATE HEALTH INSURERS.—Section
11 2719A of the Public Health Service Act (42 U.S.C.
12 300gg-19a) is amended by adding at the end the
13 following:

14 "(e) TREATMENT OF CERTAIN DRUGS.—A group 15 health plan or health insurance issuer of group or individual health insurance coverage shall not deny coverage 16 17 of any drug provisionally approved under section 524B of the Federal Food, Drug, and Cosmetic Act on the basis 18 19 of such drug being experimental. In determining coverage 20 under the applicable plan or coverage, a group health plan 21 or health insurance issuer shall treat a drug provisionally 22 approved under such section in the same manner as such 23 plan or coverage would treat a drug approved under sec-24 tion 505 of the Federal Food, Drug, and Cosmetic Act 25 or section 351 of this Act. Nothing in this subsection shall

20

be construed to require a group health plan or health in surance issuer to cover any specific drug provisionally ap proved under such section 524B.".

4 (2) FEDERAL HEALTH CARE PROGRAMS.—The 5 requirement under subsection (e) of section 2719A 6 of the Public Health Service Act (as added by para-7 graph (1)) shall apply with respect to coverage de-8 terminations under a Federal health care program 9 (as defined in section 1128B(f) of the Social Secu-10 rity Act (42 U.S.C. 1320a-7b(f)) in the same man-11 ner such requirement applies under such subsection 12 (e).

13 (3) CONFORMING AMENDMENT.—Section
14 1927(k)(2)(A)(i) of the Social Security Act (42
15 U.S.C. 1396r-8(k)(2)(A)(i)) is amended—

16 (A) by striking "or which" and inserting ",17 which"; and

18 (B) by inserting ", or which is provision19 ally approved under section 524B of such Act"
20 before the semicolon.
