

PUSH FOR PROGRESS

IAM ALS

Launching with a
Nationwide Week of Action
September 7-13, 2025

OUR FOCUS IS ON PROGRESS:

- Protect \$355M in ALS research funding over the next year alone.
- Maintain and grow access to promising treatments by reauthorizing the landmark ACT for ALS, which expires in 2026.
- Accelerate access by partnering with the FDA on an expedited approval pathway.
- Cure this devastating, currently 100% fatal disease.

I AM ALS is uniquely equipped to lead the fight to end ALS. But we need you...

We are a national grassroots movement led by people with ALS, their loved ones, caregivers, and allies.

Together, we push for urgent, systemic change in how ALS and other neurodegenerative diseases are diagnosed, treated, and ultimately cured.

Since our founding in 2019, our advocacy has amplified patient voices and delivered a 100x return on every dollar raised through increased federal funding. But there's still more to do—and we need your help.

The reauthorization of ACT for ALS is just a year away. This September, we aim to raise \$100,000 toward a \$1 million goal by September 2026. Every dollar fuels our advocacy to protect and expand research funding, speed access to promising treatments, and ensure ACT for ALS is reauthorized.
